

Advanced Practice Clinician Post-Acute Care Fellowship

Overview

We offer an immersive opportunity for nurse practitioners and physician assistants seeking additional education and in-depth knowledge of post-acute care, during which you will have an active, full-time role as part of our clinical care team.

Program Curriculum

- **Clinical training:** 6 months of one-on-one training with our expert post-acute providers
- **Didactic education:** weekly lectures with our post-acute providers
- **Professional development opportunities:** case study presentations as well as completion of 2 post-acute specific online courses

Program Eligibility

Post-Acute medicine is fast-paced and collaborative, so ideal candidates are:

- Highly motivated
- Educationally driven
- Adaptable and agile
- Team-oriented
- Patient-centric

Eligible candidates must meet the following criteria:

- Graduate from an accredited Family Nurse Practitioner, Adult-Gerontology, or Physician Assistant program
- Obtain board certification by appropriate certifying body prior to starting the fellowship program
- Obtain license to practice with prescriptive authority in the State of Ohio
- BLS/ACLS certified

Salary & Benefits

Fellows are considered full-time MedOne employees and will receive a competitive salary and benefits, including:

- 6% 401(k) match
- Paid time off
- Malpractice insurance
- Reimbursement of licensure, DEA, and certification expenses

Work Perks

- Internet stipend and laptop provided
- Cell phone and service via Verizon
- Team-sponsored and family-friendly events, including happy hours, annual celebration, and sporting events
- Monthly education series

Application Requirements

- Resume
- Unofficial graduate school transcript
- List of 3 professional references:
 - NEW GRADUATES:** One must be from graduate program director
 - IF PRIOR APP EXPERIENCE:** One must be from your most recent collaborating physician.

About MedOne

We are a team of more than 160 physicians and advanced practice clinicians who are united by a single purpose — to make healthcare better. It's been our mission from day one, and we are relentless in our pursuit to improve the delivery of high-quality care for our patients and our partners.

Founded in 2000, MedOne provides hospital medicine services in several hospitals across the state of Ohio, including long-term acute and inpatient rehabilitation hospitals, and medical services in nearly 150 skilled nursing, assisted living and independent living facilities.

MedOne was named a Best Place to Work by *Columbus Business First* every year since 2019.
